McHugs

Always Warm Hugs

2026 NORTH AMERICA BRAND CATALOG

McHugs

McHugs was born from a simple idea: love, in its most comforting form. "Mc" draws from the Scottish surname tradition — "M" for mother, "c" for children — while "Hugs" captures the warm embrace at the heart of everything we make.

That founding spirit still guides us today. Our mission is simple: bring happiness and healing through natural, soothing, therapeutic companion plush toys.

Because sometimes, all it takes is a gentle touch to find your own source of comfort and warmth.
