Meet the UGLYDOLL™

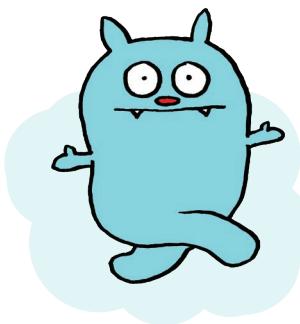

Ox™

OX means hug and kiss. It says so on his face. He not only has his eye on you, he's always looking out for you. If you have pets or a large dog, he's looking out for them as well, as they seem to think hug and kiss means pick up with mouth.

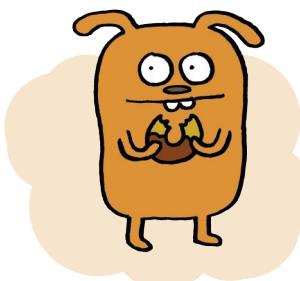

Gragon™

Gragon is a lot like a lucky dragon, but without the luck and she's not a dragon. It isn't that Gragon is unlucky... she just needs a pal to create the right vibe... then the luck stuff starts. You know how you didn't guess the lottery numbers? Same! You guys have so much in common. Remember when you won a crane game plushie that time? See? Neither did she! Meant to be.

Big Toe™

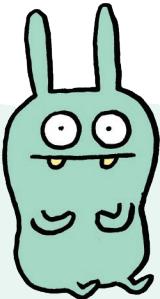

Here comes Big Toe. When Big Toe walks in the room, you can't ignore him. And not just because of the chewing noise. You can tell he is super confident because of how he takes up space and fills the room. (Hey also, can he please hang with you? He's super anxious. Being confident makes people stare. OMG help pls.)

Big Cheese™

Big Cheese may be smaller than you, but his ideas are huge, his willpower is way up there, and his fear of nothing working out is massive! That's two good things! And that's plenty! He opens big but needs a lot of help with the middle parts... Like when it's time to go to the mall, he's first in the car, leads the way, and then sees a lot of people and wants to go home. Please be nice to Big Cheese.

Meet the UGLYDOLL™

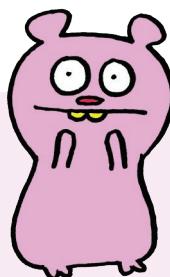

Moxy™

Moxy's got a lot of moxie. She's a real get up and go Ugly, with far more energy than her older brother OX.

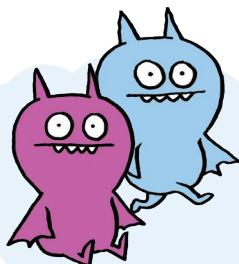

Cozy™

Cozy's full name is Cozy Monster. When he was younger, his classmates used to tease him about his name...So now he only uses the part they used to make fun of, because anybody can be a monster, but it takes a real one to be Cozy. frfr and stuff like that. He loves you, and also candy.

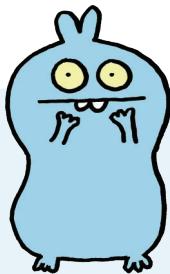

Trunko™

Trunko is over the top. He freaks out over everything and overreacting is his hobby. When the chips are down, he orders more chips.

Ice-Bat™

Ice-Bat lives in an ice box. Everything he touched turns to ice, yet he melts your heart. Ice-Bat is the ultimate cold weather pet, and he wants to chill with you. Ice-Bat Jr (the purple one) says that's cringe, but Ice-Bat knows that word really means cool. (It does, right? Hello?)

Babo™

Someone giving you a hard time? Babo's got your back. What Babo lacks in mind power, he makes up for it with love.
