*The Premier LED Toy in the Sky*

MFG #	DESCRIPTION	UPC #	MSRP	CASE COUNT
SCD001	LED Slingshot Helicopter Counter Display	6-12520-36961-3	\$4.99	96
SCF002	LED Slingshot Helicopter Floor Display	6-12520-36961-3	\$4.99	144
FILL006	Refill For Both Existing Displays	6-12520-36961-3	\$4.99	96

Our high quality 1080p screen has an 8' power cord & is the perfect attention getting display. There are two options available: Counter Top Display (16"W x 10.25"D x 16"H) or Floor Display (16"W x 10.25"D x 60"H).

The Spin Copters have high quality custom wings with super bright LED lights that can be seen up to a mile away & can reach heights of 150 feet! Looks like fireworks going up and a UFO coming down. The video can be set to auto on/off at specific times or can play all day.

***The Perfect "Silent Salesman"!***

# Hover Force

The Next Generation  
Of Spin Copter

MFG #	DESCRIPTION	UPC #	MSRP	CASE COUNT
HFR001	Hover Force - Infrared Sensor	6-12520-36969-9	\$29.99	24

All 3 Colors Are Included In Case Orders  
Box is 5.5”H x 5”D x 5.5”W

Our hand controlled Hover Force drone with an LED light will be a hit with everyone! Easy to control and fly safely indoors. No remote or batteries are needed and it comes with its own USB charging cable.

It's easy to start flying, just turn it on, toss it in the air and it will start hovering. Included anti-collision detection helps it avoid obstacles. Control the direction of flight with your hands. Fly it back and forth between friends or play solo. Bright LED lights make it fun to fly at night or in a darkened room. Made with impact resistant ABS material.
