

Bigger builds. Faster runs. Endless creativity. The MAGNA-TILES Rail Racers 8-Piece Rail Pack gives kids everything they need to amplify their magnetic racetrack designs. Featuring eight of the same patent-pending clear rails from our original Rail Racers sets, this expansion pack lets little builders extend tracks, add new ramps, and design gravity-defying runs that keep the fun rolling. With a frustration-free, no-prong design, rails connect in just four clicks—perfect for small hands and big imaginations. Combine them with any MAGNA-TILES Rail Racers sets to explore STEM concepts like speed, momentum, and problem-solving, all through open-ended play.
