Growing Readers One Story at a Time

At Cottage Door Press, we create books that grow with children—supporting every stage of the early reading journey, from first discovery to cherished storytime rituals. Our thoughtfully designed formats invite families to read, explore, and imagine together.

First Touch, First Discovery

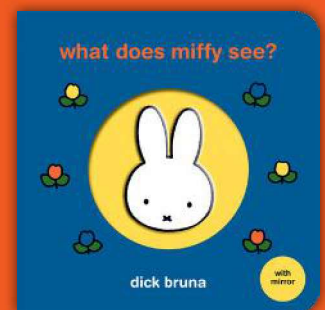

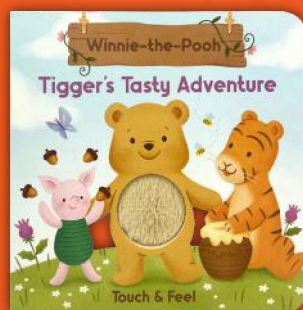

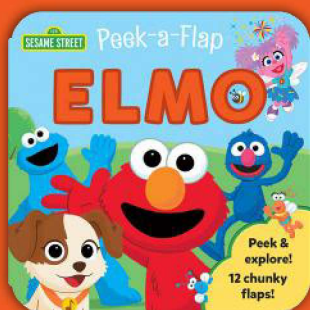

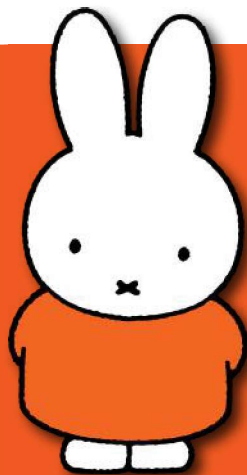

A love of reading begins at birth. Babies explore books by touching, gripping, and turning pages, early interactions that build the foundation for confident readers.

Cottage Door Baby supports these first discoveries with soft cloth books, tactile elements, and sturdy formats designed for little hands.

Characters Children Love

Familiar characters help children feel instantly at home with books. Trusted friends like **Sesame Street's Elmo**, **Winnie-the-Pooh**, the **PAW Patrol pups**, and **Miffy** invite children into stories they want to hear again and again. Interactive formats with lift-a-flaps, stickers, finger puppets, and sound buttons make reading an activity that children eagerly seek out.

Stories That Become Traditions

Seasonal titles bring warmth and excitement to every shelf. From playful Halloween adventures to festive Christmas favorites, interactive formats turn storytime into family traditions.

Elf on the Shelf titles extend the magic of the beloved holiday tradition, creating joyful nightly reading moments throughout the season.

A New Way to Experience Storytime

Luna StoryTime transforms bedtime into a calming storytelling experience, projecting softly illuminated illustrations while narrating beloved stories.

Screen-free and thoughtfully designed, Luna StoryTime projects beautifully illustrated stories, enriched with expressive narration, engaging sounds and songs, and read-along words. A softly illuminated night-light accompanies the play, creating a cozy, comforting sleepytime routine. Each story and song plants a seed, creating a joyful, multisensory moment that sparks imagination, strengthens skills, and grows a lifelong love of reading.
