Miffy, the beloved character created by renowned Dutch artist Dick Bruna was brought to life with clear, simple brushstrokes in 1955. Miffy's aesthetic continues to resonate with consumers through her clean, design-forward style and approachable personality. With more than 30 Miffy books and over 85 million copies sold worldwide, the brand has cultivated a passionate fanbase across the globe. Miffy is a globally recognized icon celebrated for her charming minimalism and timeless appeal among multiple generations who have grown up with her.
