iDVENTURE

DEAR DIARY,

I've been reflecting on what truly makes me, *me*. From **kids' and family games**, to **strategy titles, outdoor fun**, and **brain-teasing puzzles**, I've never felt more complete.

Over the years, I've learned to embrace who I am, accessible, inclusive, and, above all: **Simply Fun for All!**

YAY!

Last year, I became good friends with **iDventure**. Can you guess my new friend's passion? **Escape games, especially Clueboxes!** These beautifully crafted wooden puzzles hold a world of secrets inside. Opening one feels like diving into a story that unfolds piece by piece.

I still hang out with my party buddy, **The Darker Side**. I honestly can't resist their dark humor. Lately, they introduced me to **Judgmental AF**, and I can't wait to bring it to my next game night.

It's been several months now and... I'm officially in a relationship with **Iello!** We're exclusive, can you believe it? They keep surprising me with games I've never tried before, like **King of Tokyo**, a title so popular it's become a universe of its own!

I'm excited to keep creating memorable moments that bring people together.

**Until next time,
Blue Orange Games**

Mom'n Pups

AGES 3 & Up | 2-4 PLAYERS

In this heartwarming cooperative game, players help a mother dog and her puppies find each other on the board. Each turn, Mommy Dog moves from one side while the puppies come from the other, advancing after a die roll. Along the way, fun actions keep everyone engaged as you work together to bring the family closer. The game ends in the sweetest way possible — when all the wooden figurines meet and snug perfectly together in a big hug.

SKILLS Focus & Attention, Social Play, Cooperation

Hamster Hammock

AGES 5 & Up | 2-4 PLAYERS

The hamsters are taking a vacation. Everyone wants to hang out on the hammock! **Carefully place your hamsters on the hammock and try to hang on without falling out.** If the hammock tilts on your turn, all other players can send one of their hamsters for a rest on a fluffy beach towel. The first player with all hamsters on the hammock and resting on beach towels wins the game!

Belly Flop

AGES 6 & Up | 2-4 PLAYERS

In Belly Flop, players take turns flicking their swimsuit-clad hippos off their launchers and watching them flip, spin, and tumble through the air before splashing down. Will they land belly-first in the pool for a perfect flop, or belly-up with nothing to show for it? Aim to land on top of other hippos to win the cards underneath and build your collection. When the last hippo has taken the plunge, count up your cards—whoever collected the most wins!

The farther the target, the higher the score! You can also aim at your opponents' swoobees to make them lose points, adding a tactical twist. You’ve been selected to compete in the legendary interstellar race across the vast reaches of the Quazarys Galaxy. Kingdomino AGES 8 & Up | 2-4 PLAYERS

Dominoes with a kingdom building twist! Each turn, connect a new domino to your kingdom, making sure at least one of its sides connects to a matching terrain type already in play. The tile selection is clever: the order of who picks first depends on the last round's selections. Make sure to secure tiles with crowns to multiply the worth of your kingdom at the end of the game. When each player has completed a 5x5 grid, the game ends and points are counted. **Kingdomino** was voted "Game of the Year" in many European countries, including Germany where it won the coveted Spiel des Jahres award.
