WAFFLE BLOCKS

2023

about us:

Marioinex is a **family-run** business founded in 1986 by Halina and Marian Suchanek. We design and manufacture creative toys, which have repeatedly won numerous **industry awards**. Our products present an exceptional combination of great fun and education. All our products are characterized by high **quality and safety standards**. Materials used for production of our toys and their packaging are certified and can be recycled.

the circular economy:

Taking care of our planet is very important to us, so we continually invest in **new technologies** to meet that goal. Our toys are made from 100% recyclable materials and are CE marked - certifying their high quality and safety.

Quality products last and get **handed down to the next generation**, so we constantly work to improve our products to extend their life. We strive to recirculate any materials we can to reduce waste and create a circular economy - the best way to reduce any product's environmental impact.

MINI WAFFLE EDU 500

The set consists of 500 Mini Waffle blocks along with **28 cards** to enhance play.

Cards 1-13 practise imitating, filling in and continuing Mini Waffle sequences, which facilitates consolidation of linear task performance habits. Cards 14-28 are there to assist **development of 3D imagination** and improvement of hand and finger mobility.

The Edu set offers a great exercise to **improve logical thinking**, visual analysis and left brain hemisphere stimulation.
