Why choose EGKD?

Earth Grown KidDoughs creates interactive sensory doughs and whimsical play kits that are made for how kids really play.

Every KidDough is handcrafted in the USA using the highest quality non-toxic, natural ingredients. Our silky-soft, pliable, and sensationally sensory friendly doughs are squishy to the touch without leaving a gritty residue on sensitive little hands. Our doughs are easy to model, but also dry-resistant, re-hydratable and can last for hundreds of hours of play. They even wash out of carpet and fabric easily with just warm water!

Earth Grown KidDoughs has everything you knead for fun and engaging sensory play!

Everyday Play made Simply Dough-tastic!
