SUPERMAG

TOYS

SUPERMAG

Unlimited Construction, Endless Imagination

Since 1998, Supermag has been the original magnetic construction toy, made in Italy with a passion for hands-on play. By combining simple magnetic rods with colorful geometric connectors, Supermag lets kids build, take apart, and re-build endless structures, shapes, and creations of their own design. This open-ended, easy-snap system sparks spatial reasoning and problem-solving while keeping the fun completely in kids' hands.
