Begin Your Musical Journey With Us!

At the Trophy Music Co., we believe that music is more than just sound — it's a lifelong journey. That's why we provide high-quality, real musical instruments that are in tune, easy to play, and, most importantly, lots of fun!

Studies consistently show that children who play musical instruments tend to be brighter, more confident, and better learners. They also develop well-rounded personalities and life skills that last a lifetime.

We're proud to support those outcomes as a leading supplier of musical, educational, and novelty products.

If you've been with us over the years, thank you — your support has driven our remarkable growth.

If you're new to us, we invite you to give us a try. We're confident you'll find us to be one of the most pleasant, dependable, and easy-to-work-with suppliers in the industry.

After all, we've been helping people make music—and enjoy the journey—for over 40 years.

Please note: The musical instruments found within this catalog are not considered toys. They are intended for use with adult supervision.

YOUNG READERS

1stNote® Books

New

Katie, a curious little girl, discovers a colorful kazoo in her grandmother's attic, sparking her imagination. The experience brings her and her family all closer together, and Katie realizes that the kazoo is not just an instrument, but a source of joy, creativity, and connection. The simple, magical moment becomes a cherished memory for Katie and her family. Each book comes with a kazoo blistered to the front cover to get you started on your musical journey.

17 Trophy Music Co.

PERCUSSION Mel-O-Dee Thumpers™

Thumpers™ are specially designed, musically tuned tubes that produce delightful musical notes when “thumped” against nearly anything – whether it’s a table, your leg, or even your hand. Each note is color-coded for use with popular song and instruction materials. Anyone can create music with these fun instruments, making them perfect for individual or group play! Expansion sets available to meet all of your creative and classroom needs.

Our Thumpers™ are embedded with antimicrobial additives during the manufacturing process to inhibit the development of microorganisms such as bacteria, mold, and fungi. These additives become an integral part of the plastic, ensuring continuous protection throughout the product's lifespan. This feature helps minimize the risk of infections and contamination in environments where hygiene is crucial, such as schools and healthcare facilities.

TROPHY CLASSICS DISPLAY

Trophy® Classics feature an outstanding collection of instruments that have enjoyed popularity for generations. From our Flutophone, introduced in 1943 and used by over 50,000,000 children, to the standard Jaw Harp which was carried in the pockets of many of our grandparents. These nostalgic instruments are sure to bring a lot of "I haven't seen one of those in years" comments when displayed on your counter.

Includes 2 each of:

- 3470 Musical Spoons
- 3471 Harmonica
- 3472 Metal Kazoo
- 3473 Jaw Harp
- 3474 Flutophone®
- 3475 Ocarina
